The Indiana education employment relations board shall issue written findings concerning the results of the evaluation. If the collective bargaining agreement does not comply with IC 20-28 and this article, the Indiana education employment relations board shall also specify contract terms that will bring the collective bargaining agreement into conformity with IC 20-28 and this article. Before the earlier of the date that formal bargaining begins for a new collective bargaining agreement that is intended to apply to a school employer after the school year reviewed by the Indiana education employment relations board or November 1 in the school year reviewed by the Indiana education employment relations board, the Indiana education employment relations board shall distribute written findings and required contract terms (if any) resulting from a review under this section to the following:

The Indiana education employment relations board shall appoint a member of the Indiana education employment relations board ad hoc panel to monitor formal bargaining for the next collective bargaining agreement that is intended to apply to a school employer after the school year reviewed by the Indiana education relations board.  13 allocated to wages and salaries that are bargainable under the
 14 contract. The contract may also include provisions on how any
 15 surplus in general fund revenues would be allocated among wages
 16 and salaries bargainable under the contract.

17 ~~(b)~~ (c) A contract that provides for deficit financing **or violates**

A system recommended under this section must be based on graduated levels of improvement based on:

(1) for school years ending before July 1, 2016, ISTEP program standards and other assessments recommended and approved by the education roundtable;

(2) for school years beginning after June 30, 2016, through the school year specified by the state board, a transitional metric authorized by the state board based on a combination of improvement under ISTEP program standards and BEST program standards and other assessments recommended and approved by the education roundtable; and

(3) for school years beginning after the school year specified by the state board, BEST program standards and other assessments recommended and approved by the education roundtable.

SECTION 65. IC 20-31-8-1, AS AMENDED BY P.L.268-2013, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. (a) The performance of a school's students

on:

(1) for school years ending before July 1, 2016, the ISTEP program test;

(2) for school years beginning after June 30, 2016, through the school year specified by state board, a transitional metric authorized by the state board based on a combination of improvement under ISTEP program tests and BEST program tests; and

(3) for school years beginning after the school year specified by the state board under subdivision (2), BEST program tests; and other assessments recommended by the education roundtable and approved by the state board are the primary and majority means of assessing a school's improvement.

(b) The education roundtable shall examine and make recommendations to the state board concerning:

(1) performance indicators to be used as a secondary means of determining school progress;

(2) expected progress levels, continuous improvement measures, distributional performance levels, and absolute performance levels for schools; and

(3) an orderly transition from the performance based accreditation system to the assessment system set forth in this article.

(c) The education roundtable shall consider methods of measuring improvement and progress used in other states in developing recommendations under this section.

(d) The education roundtable may consider:

(1) the likelihood that a student may fail a graduation exam and require a graduation waiver under IC 20-32-4-4 or IC 20-32-4-5; and

(2) remedial needs of students who are likely to require remedial work while the students attend a postsecondary educational institution or workforce training program;

when making recommendations under this section.

SECTION 66. IC 20-31-8-2, AS AMENDED BY P.L.286-2013, SECTION 102, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) In addition to scores on the ISTEP program test and BEST program tests and other assessments, the department shall use the performance indicators developed under section 1 of this chapter and the benchmarks and indicators of performance in each school corporation's annual performance report as a secondary means of assessing the performance of each school and school corporation.

(b) The department shall assess school performance in the following manner:

(1) Compare the academic performance and growth of the individual students in each school and each school corporation with the prior academic performance and growth of the individual students in the school or school corporation and not to the performance of other schools or school corporations.

(2) Compare the results in the annual report under IC 20-20-8 with the benchmarks and indicators of performance established in the plan for the same school.

(3) Compare the results for a school by comparing each student's results for each grade with the student's prior year results, with an adjustment for student mobility rate. The education roundtable shall make recommendations concerning the incorporation of a statistical adjustment for student mobility rates into the results.

(4) Compare the results for a school with the state average and the ninety-fifth percentile level for all assessments and performance indicators.

SECTION 67. IC 20-31-8-3, AS AMENDED BY P.L.286-2013, SECTION 103, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 3. (a) The state board shall establish a number of categories, using an "A" through "F" grading scale, to designate performance based on the individual student academic performance and growth to proficiency in each school.

(b) This subsection applies only to a school with a low student population when compared to the average size of the student population at all schools in Indiana. An earned letter grade on the "A" through "F" grading scale shall be given for all schools, including schools with a low student population to which this subsection applies. A school to which this subsection applies may appeal a designation under subsection (a) to the state board based on the insufficient size of the test group needed to determine an accurate result for each grade completing the assessment.

SECTION 68. IC 20-32-5 IS REPEALED [EFFECTIVE JULY 1, 2016]. (Indiana Statewide Testing for Educational Progress).

SECTION 69. IC 20-32-5.1 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]:

The superintendent of public instruction and the department, under the direction of the state board, shall carry out the work necessary to carry out this chapter.

(c) The state board shall select tests for the BEST program that are nationally recognized assessment tests.

(e) The state board may not consider or adopt any of the following:

1 (1) An assessment or a test that is developed for and is unique
2 to Indiana.

3 (2) An assessment or a test that adopts Common Core
4 (Common Core State Standards Initiative) or delegates to any
5 higher authority the responsibility of selecting tests or

12 Behind Act of 2001 and subsequent federal laws (20 U.S.C.

14 federal law.

15 **Sec. 3. (a) Before:**

16 (1) selecting one (1) or more vendors or changing one (1) or
17 more vendors to provide tests for the BEST program; or

18 (2) selecting the format or changing the format for tests
19 provided by a vendor;

20 the state board shall comply with the minimum procedures in this
21 section. The state board may supplement the minimum procedures
22 in this section by consulting citizen groups and taking other
23 additional actions to fully consider the issues related to establishing
24 a BEST program based on Indiana academic standards.

25 (b) The state board shall consider a variety of available
26 nationally recognized assessments and tests and adopt a request for
27 proposals that meets the requirements of this chapter. The
28 department shall carry out the work necessary, under the direction
29 of the state board, in preparing the request for proposals. The
30 department shall submit the request for proposals to the
31 roundtable for review. The state board shall consider any

36 proposals to the roundtable for review and recommendations.
37 After receiving the recommendations of the roundtable, the state
38 board shall:

39 (1) provisionally select a vendor and the tests to be used in the
40 BEST program;

41 (2) provisionally adopt any necessary modifications in Indiana
42 academic standards to bring the recommended tests into

alignment with Indiana academic standards;

(3) conduct at least three (3) public hearings on the provisional determinations of the state board under subdivisions (1) and (2), with one (1) public hearing at a location in northern Indiana, one (1) public hearing at a location in central Indiana, and one (1) public hearing at a location in southern Indiana;

(4) submit the determinations under subdivisions (1) and (2), as revised after the public hearings conducted under subdivision (3), to the budget committee for review; and

(5) after considering any recommendations made by the budget committee, finally select a vendor and the tests to be used in the BEST program.

(d) The state board may carry out the procedures in this section as part of a rulemaking action under IC 4-22-2 or an emergency rulemaking action under IC 4-22-2-37.1.

Sec. 4. BEST program tests shall be administered for school years beginning after June 30, 2016, in the grade levels determined by the state board in the following subject areas:

(3) Science.

(4) Social studies.

The BEST program tests must include a reading component that is administered in grade 3.

Sec. 5. The state board shall determine the date in each school year on which statewide BEST program testing is administered in each school corporation.

Sec. 6. The state superintendent is responsible for the overall development, implementation, and monitoring of the BEST program authorized by the state board.

Sec. 7. The department shall make BEST program scoring rubrics available to the public at least four (4) months before the administration of a test. An essay question, a scoring rubric, or an anchor paper used in the BEST program may not seek or compile information about a student's:

(1) personal attitudes;

(2) political views;

(3) religious beliefs;

(4) family relationships; or

(5) other matters listed in IC 20-30-5-17(b).

Sec. 8. The scoring of student responses under the BEST

1 program test:

- 2 (1) must measure student achievement relative to the
3 academic standards established by the state board, including
4 the college and career readiness educational standards
5 established under IC 20-19-2-14.5;
6 (2) must adhere to scoring rubrics and anchor papers; and
7 (3) may not reflect the scorer's judgment of the values
8 expressed by a student in the student's responses.

9 Sec. 9. Reports related to tests administered as part of the BEST
10 program must:

- 11 (1) provide scores indicating student performance relative to
12 each of the academic standards:
13 (A) established by the state board; and
14 (B) assessed by the test;
15 (2) be related to passing scores established by the state board;
16 and
17 (3) contain the information listed in subdivisions (1) and (2)
18 for the following levels:
19 (A) Individual student.
20 (B) Classroom.
21 (C) School.
22 (D) School corporation.
23 (E) Indiana.

24 Sec. 10. Reports of student scores must be:

- 25 (1) returned to the school corporation that administered the
26 test; and
27 (2) accompanied by a guide for interpreting scores.

28 Sec. 11. (a) As used in this section, "BEST program test"
29 includes any statewide assessment that a student is required to
30 complete.

31 (b) After reports of student scores for a BEST program test are
32 returned to a school corporation, the school corporation shall
33 promptly do the following:

- 34 (1) Give each student and the student's parent the student's
35 BEST program test scores.
36 (2) Make available for inspection to each student and the
37 student's parent the following:
38 (A) A copy of all questions that are not multiple choice or
39 true and false and prompts used in assessing the student.
40 (B) A copy of the student's scored responses.
41 (C) A copy of the anchor papers and scoring rubrics used
42 to score the student's responses.

1 A student's parent may request a rescoring of a student's responses
2 to a BEST program test, including a student's essay.

3 (c) A student's BEST program test scores may not be disclosed
4 to the public.

5 Sec. 12. After a school receives score reports for a BEST
6 program test, the school shall schedule a parent/teacher conference
7 with the following:

8 (1) A parent of a student who requests a parent/teacher
9 conference on the scores of the student.

10 (2) The parent of each student who does not receive a passing
11 score on the test. The conference must include a discussion of:

12 (A) the student's test scores, including subscores on
13 academic standards; and

14 (B) the proposed remediation plan for the student.

15 Sec. 13. Each school corporation shall compile the total results
16 of the BEST program tests in a manner that will permit evaluation
17 of learning progress within the school corporation. The school
18 corporation shall make the compilation of test results available for
19 public inspection and shall provide that compilation to the parent
20 of each student tested under the BEST program.

21 Sec. 14. The department shall develop a format for the
22 publication by school corporations in an annual performance
23 report required by statute of appropriate academic information
24 required by the department, including BEST program test scores
25 and information required to be disaggregated by the department
26 under section 15 of this chapter, in a manner that a reasonable
27 person can easily read and understand.

28 Sec. 15. (a) The school corporation shall provide the BEST
29 program test results on a school by school basis to the department
30 upon request.

31 (b) The department shall disaggregate from the total results of
32 the BEST program test results for a school corporation the
33 percentage of students in each school and each grade in the school
34 corporation that are identified as high ability students (as defined
35 by IC 20-36-1-3) by the school corporation who also achieved a
36 score in the highest performance level designated for the BEST
37 test. However, this disaggregation is not required in a case in which
38 the results would reveal personally identifiable information about
39 an individual student under the federal Family Education Rights
40 and Privacy Act (20 U.S.C. 1232g et seq.).

41 Sec. 16. Upon request by the commission for higher education,
42 the department shall provide BEST program test results to the

1 commission for those students for whom the commission under 20
2 U.S.C. 1232g has obtained consent.

3 Sec. 17. (a) The state superintendent shall develop a BEST
4 program testing schedule in which:

5 (1) each student in the grades approved by the state board
6 must be tested; and

7 (2) each student in grade 10 or grade 11 must take a
8 graduation examination.

9 (b) The state board shall adopt rules to establish when a student
10 is considered to be in grade 10 for purposes of initially taking the
11 graduation examination.

12 Sec. 18. (a) A student who is a child with a disability (as defined
13 in IC 20-35-1-2) shall be tested under this chapter with appropriate
14 accommodations in testing materials and procedures unless the
15 individuals who develop the child's individualized education
16 program determine that testing or a part of the testing under this
17 chapter is not appropriate for the student and that an alternate
18 assessment will be used to test the student's achievement.

19 (b) Any decision concerning a student who is a child with a
20 disability (as defined in IC 20-35-1-2) regarding the student's:

21 (1) participation in testing under this chapter;

22 (2) receiving accommodations in testing materials and
23 procedures;

24 (3) participation in remediation under IC 20-32-8; or

25 (4) retention at the same grade level for consecutive school
26 years;

27 shall be made in accordance with the student's individualized
28 education program in compliance with the BEST program manual
29 and federal law.

30 Sec. 19. (a) If a nonpublic school seeks accreditation as
31 authorized under IC 20-19-2-8(a)(4), the governing body of the
32 nonpublic school is entitled to acquire at no charge from the
33 department:

34 (1) the BEST program test; and

35 (2) the scoring reports used by the department.

36 (b) A nonpublic school seeking accreditation must:

37 (1) administer the BEST program test to its students at the
38 same time that school corporations administer the test; and

39 (2) make available to the department the results of the BEST
40 program testing.

41 Sec. 20. The state board may establish assessments to
42 supplement BEST assessments for secondary school students.

1 **Sec. 21. The state board may adopt rules under IC 4-22-2,**
 2 **including emergency rules under IC 4-22-2-37.1, to implement this**
 3 **chapter.**

- SECTION 74. IC 20-43-10-3, AS ADDED BY P.L.205-2013, SECTION 300, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 30, 2015]: Sec. 3. (a) As used in this section, "achievement test" means a

(1) test required by the ISTEP program or **the BEST program, as applicable.**

(2) Core 40 end of course assessment for the following:

(A) Algebra I.

(B) English 10.

(C) Biology I.

(b) As used in this section, "graduation rate" means the percentage graduation rate for a high school in a school corporation as determined under IC 20-26-13-10 but adjusted to reflect the pupils who meet the requirements of graduation under subsection (d).

(c) As used in this section, "test" means either:

(1) a test required by the ISTEP program or **the BEST program, as applicable; or**

(2) a Core 40 end of course assessment;

in the school year ending in the immediately preceding state fiscal year or, for purposes of a school year to school year comparison, in the school year immediately preceding that school year.

(d) A pupil meets the requirements of graduation for purposes of this section if the pupil successfully completed:

(1) a sufficient number of academic credits, or the equivalent of academic credits; and

(2) the graduation examination required under IC 20-32-3 through ~~IC 20-32-6~~; **IC 20-32-5.1**;

that resulted in the awarding of a high school diploma or an academic honors diploma to the pupil for the school year ending in the immediately preceding state fiscal year.

(e) Determinations for a school for a state fiscal year must be made using:

(1) the count of tests passed compared to the count of tests taken throughout the school;

(2) the graduation rate in the high school; and

(3) the count of pupils graduating in the high school.

(f) In determining grants under this section, a school corporation may qualify for the following **two (2) grants** each year:

(1) One (1) grant under subsection (h), (i), or (j).

(2) One (1) grant under subsection (k), (l), or (m).

A school corporation's grant under subdivision (1) is the sum of the grants separately calculated for each school in the school corporation under subsection (h), (i), or (j). A school corporation's grant under subdivision (2) is the sum of the grants separately calculated for each school in the school corporation under subsection (k), (l), or (m).

(g) The sum of the **two (2)** grant amounts **described in subsection (f), as** determined for a school corporation under this section constitutes an annual performance grant that is in addition to state tuition support. The annual performance grant for a state fiscal year shall be distributed to the school corporation before December 5 of that state fiscal year. **If the:**

(1) total amount to be distributed as performance grants for a particular state fiscal year exceeds the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations shall be proportionately reduced so that the total reduction equals the amount of the excess. The amount of the reduction for a particular school corporation is equal to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the performance grant that the school corporation would have received if a reduction were not made under this section. The denominator of the fraction is the total amount that would be distributed as performance grants to all school corporations if a reduction were not made under this section; and

(2) total amount to be distributed as performance grants for a particular state fiscal year is less than the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations for that particular state fiscal year shall be proportionately increased so that the total amount to be distributed equals the amount of the appropriation for that particular state fiscal year.

The performance grant received by a school corporation ~~may~~ **shall** be **allocated among and** used only to pay a **one-time** cash ~~awards~~ **stipends** to **all** teachers who are rated as effective or as highly effective and employed by the school corporation as of December 1. The lead school corporation administering a cooperative or other special education program or career and technical education program, including programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award performance stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program. The amount of the distribution from an annual performance grant to an individual teacher is determined at the discretion of the

governing body of the school corporation. The governing body may differentiate between the amount of the stipend awarded to a teacher rated as a highly effective teacher and a teacher rated as an effective teacher and may differentiate between school buildings. A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. In addition, an amount determined under the policies adopted by the governing body but not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year beginning after June 30, 2015, becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary under this section is not subject to collective bargaining, is payable from funds other than the performance grant, and is in addition to the minimum salary and increases in salary set under IC 20-28-9-1.5. The school corporation shall complete the appropriation process for all stipends from a performance grant to individual teachers before December 31 of the state fiscal year in which the performance grant is distributed to the school corporation and distribute all stipends from a performance grant to individual teachers before the immediately following January 31. Any part of the performance grant not distributed as stipends to teachers before December 31 must be returned to the department on the earlier of the date set by the department or June 30 of that state fiscal year.

(h) A school qualifies for a grant under this subsection if the school has more than seventy-two and five-tenths percent (72.5%) but less than ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) twenty-three dollars and fifty cents (\$23.50).

(i) A school qualifies for a grant under this subsection if the school has at least ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year;

multiplied by

(2) forty-seven dollars (\$47).

(j) This subsection does not apply to a school corporation in its first year of operation. A school qualifies for a grant under this subsection if the school's school year over school year percentage growth rate of achievement tests receiving passing scores was at least five percent (5%), comparing the school year ending in the immediately preceding state fiscal year to the school year immediately preceding that school year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who had a passing score on their achievement test in the school year ending in the immediately preceding state fiscal year; multiplied by

(2) forty-seven dollars (\$47).

(k) A school qualifies for a grant under this subsection if the school had a graduation rate of ninety percent (90%) or more for the school year ending in the immediately preceding state fiscal year. The grant amount for the state fiscal year is:

(1) the count of the school corporation's pupils who met the requirements for graduation for the school year ending in the immediately preceding state fiscal year; multiplied by

(2) one hundred seventy-six dollars (\$176).
